

This fabulous dyslexie font, created by Christian Boer, in 2008 makes reading so much easier for so many, not just dyslexics!

This fabulous font is now available as a free download for home use.

Visit the [www.dyslexiefont.com](http://www.dyslexiefont.com) website to download it for home use and to find out about prices for other uses such as business, education publishing etc.

“Can you imagine (if it were possible) what sitting on a cloud would feel like; Soft Fluffy, Relaxing and Easy ...well that’s how reading feels with the dyslexie font, for me!”
